

Fill in the gaps

The heart is a bloom	Touch me
Shoots up through the stony ground	Take me to that other place
There's no room	Teach me
No (1) to (2) in (3) town	I know I'm not a hopeless case
You're out of luck	See the (14) in (15) and blue
And the reason (4) you had to care	See (16) (17) in front of you
The (5) is stuck	See the canyons broken by cloud
And you're not (6) anywhere	See the tuna (18) (19)
You thought you'd (7) a friend	the sea out
To (8) you out of this place	See the (20) fires at night
Someone you (9) lend a hand	See the oil (21) at first light
In return for grace	See the bird with a (22) in her mouth
It's a beautiful day	After the flood all the colors came out
Sky falls, you feel like	
It's a (10) day	It was a beautiful day
Don't let it get away	Don't let it get away
You're on the road	Beautiful day
But you've got no destination	Touch me
You're in the mud	Take me to that other place
In the (11) of her imagination	Reach me
You (12) this town	I know I'm not a (23) case
Even if that doesn't ring true	What you don't have you don't need it now
You've been all over	What you don't know you can (24) it somehow
And it's been all over you	What you don't (25) you don't need it now
It's a (13) day	Don't need it now
Don't let it get away	Was a beautiful day
It's a beautiful day
