Easy come easy go
Thats just how you live
Oh take take it all
But you (1) give
Should've known
You was trouble from the first kiss
Had you (2) wide open
Why (3) (4) open?
Gave you all I had
And you tossed it in the trash
You tossed it in the trash, you did
To give me all your love is all I (5) ask
Cause what you don't understand is
I'd catch a grenade for ya
Throw my hand on a blade for ya
I'd jump in front of a train for ya
You know I'd do anything for ya
I would go through all this pain
Take a bullet straight through my brain
Yes I would die for you baby
But you won't do the same
No no no no no
Black, black, black and blue
Beat me till I'm numb
Tell the devil I said hey
When you get back to where you from
Mad woman, bad woman
That's just what you are
Yeah you (6) in my face
Then rip the brakes out my car
Gave you all I had

You tossed it in the trash, yes you did To give me all your love is all I ever ask Cause what you don't (7)	And you tossed it in the trash
Cause what you don't (7)	You tossed it in the trash, yes you did
