

## Fill in the gaps

Touch, (1) in the flame's desires
Feeling the pain's denial,
And (2) in the fire
Look, (4) in the candle light
See in the (5) of life
And my (6) is our lie
[Chorus:]
Taste the love
The Lucifer's magic (7) makes you numb
The (8) and all the pain are one
You're (9) in the fire
Taste the love
The Lucifer's (10) (11) (12) you numb
You (13) it (15) and you're drunk on love
You're sleeping in the fire
I (16) at the (17) and (18) burn
And cry out the (19) of (20) I yearn
[Chorus]
Taste the love
The Lucifer's magic that makes you numb
The passion and all the pain are one

You're sleeping in the fire
