## Everything I Do (I Do It For You) by Bryan Adams

| Look into my eyes                           | Everything I do                                  |
|---|--|
| You will see, what you (1) to me            | I do it for you                                  |
| Search (2) heart, (3) your soul             | There is no love, like your love                 |
| And when you (4) me then, you'll            | And no other, could (16) more love               |
| (5) no more                                 | There's nowhere, unless you're there             |
| Don't (6) me it's not worth (7) for         | All the time, all the way, yeah                  |
| You can't (8) me it's not worth dying for   | To the heart, baby, yeah                         |
| You know it's true                          | (Oh) you can't tell me it's not worth trying for |
| Everything I do                             | I can't (17) it, there's (18) I wan              |
| I do it for you                             | more   |
| Look (9) your heart, you (10) find          | Yeah I (19) (20) for you, I'd lie for            |
| There's nothing there to hide               | you  |
| Take me as I am, (11) my life               | Walk the wire for you, yeah I'd die for you      |
| I (12) give it all, I would sacrifice       | You (21) it's true                               |
| Don't tell me it's not (13)                 | Everything I do                                  |
| (14) for                                    | (Oh) I do it for you                             |
| I (15) help it, there's nothing I want more |  |
