How (16) I remember
The look that was in his eyes
Stealing kisses from me on the sly
Taking (17) to (18) time
Telling me that he's all mine
Learning from each other's knowing
Looking to see how much we've (19) and
The only one who could (20) reach me
Was the son of a preacher man
The only boy who could ever teach me
Was the son of a preacher man
Yes he was, he was, oh yes he was
The only one who could (21) reach me
Was the son of a preacher man
The only boy who could ever (22) me
Was the son of a preacher man
The only one who could ever (23) me
Was the son of a preacher man
The (24) one who could ever (25) me
Was the son of a preacher man
Yes he was, he was, oh yes he was
