Too Afraid To Love You by The Black Keys

My gears they grind	All those sleepless nights
More each day	And all those wasted days
And I feel like	I (4) (5) would leave me
They're gonna (1) away	But I (6) he's here to stay
And the city blocks	What more can I do
They (2) me wild	I'm wringing myself dry
They're never ending	And I can't afford to lose
Mile after mile	One more (7) from my eye
I (3) don't know what to do	I'm too afraid
I'm too afraid to love you	I'm too afraid
It's heaven on earth	I just don't know what to do
In her embrace	With myself
And her smiling face	Thinking all the time in you
I'm just one wishing	Don't know (8) to do
That I was a pair	Don't (9) what to do
With someone	Drivin me outta my mind
(Oh) somewhere	
l iust don't know what to do
