I'm too afraid to love you

Too Afraid To Love You by The Black Keys

My gears they grind	All those (5) nights
More each day	And all those wasted days
And I feel like	I wish loneliness (6) leave me
They're gonna (1) away	But I think he's here to stay
And the city blocks	What more can I do
They drive me wild	I'm wringing myself dry
They're never ending	And I can't afford to lose
Mile (2) mile	One more teardrop from my eye
I just don't (3) to do	I'm too afraid
I'm too afraid to love you	I'm too afraid
It's heaven on earth	I just don't know (7) to do
In her embrace	With myself
And her smiling face	Thinking all the time in you
I'm just one wishing	Don't know (8) to do
That I was a pair	Don't know (9) to do
With someone	Drivin me outta my mind
(Oh) somewhere	
I just don't know what to do
