

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching
You were on a mission
Then our hearts combined like
A (1)_____ (2)_____ collision
I (3)_____ nothing left to lose
You took your time to choose
Then we told each other
With no trace of fear that...
Our (4)_____ would be forever
And if we die, we die together
And lie, I said never
'Cause our love (5)_____ be forever
The (6)_____ is broken
Halos (7)_____ to glisten
You try to make a difference
But no one wants to listen
Hail, the preachers, (8)_____ and proud

Their doctrines will be cloud
Then they'll dissipate
Like snowflakes in an ocean
Love is forever
And we'll die, we'll die together
And lie, I say never
'Cause our (9)_____ (10)_____ be forever
Now I've got (11)_____ left to lose
You (12)_____ your (13)_____ to choose
I can (14)_____ you now without a trace of fear
That my (15)_____ (16)_____ be forever
And we'll die, we'll die together
Lie, I (17)_____ never
'Cause our (18)_____ will be forever

Answer
