

Fill in the gaps

Neutron Star Collision (Love Is Forever) by Muse

I was searching

You (1)_____ on a mission

Then our hearts combined like

A (2)_____ star collision

I have nothing left to lose

You took your time to choose

Then we told each other

With no (3)_____ of fear that...

Our love would be forever

And if we die, we die together

And lie, I said never

'Cause our love would be forever

The world is broken

Halos (4)_____ to glisten

You try to make a difference

But no one (5)_____ to listen

Hail, the preachers, fake and proud

Their doctrines will be cloud

Then they'll dissipate

Like snowflakes in an ocean

Love is forever

And we'll die, we'll die together

And lie, I say never

'Cause our (6)_____ could be forever

Now I've got nothing (7)_____ to lose

You take (8)_____ (9)_____ to choose

I can (10)_____ you now without a trace of fear

That my love will be forever

And we'll die, we'll die together

Lie, I will never

'Cause our love will be forever
