

Fill in the gaps

Have You Ever Really Loved A Woman? (Live) by Bryan Adams

To really	To (14) her that it's gonna last together
Love a woman	Tell me have you (15) really
To understand her	Really, really ever loved a woman?
You gotta know her deep inside	(Yeah)
Hear (1) thought	You got to give her some faith
See (2) dream	Hold her tight
And (3) her (4) (5) she	A little tenderness
wants to fly	You (16) treat her right
And when you find yourself lying helpless	She will be there for you
In her arms	Taking good care of you
You know you really	You really gotta (17) (18) woman
Love a woman	And (19) you find yourself lying helpless
When you love a woman	In her arms
You tell her that she's really wanted	You (20) you really
When you love a woman	Love a woman
You (6) her that she's the one	(Yeah)
'cause she (7) somebody	When you love a woman
To tell her that it's gonna last forever	You tell her that she's really wanted
So (8) me have you (9) really	When you love a woman
Really, really ever loved a woman?	You (21) her that she's the one
To really love a woman	She needs somebody
Let her hold you	To tell her (22) it's gonna last together
Till you know how she needs to be touched	Tell me have you ever really
You've gotta (10) her	Really, (23) ever (24) a woman'
Really taste her	(Yeah)
Till you can (11) her	Tell me have you ever really
In your blood	Really, really ever loved a woman?
And when you see your unborn children	(Oh) You've got to (25) me have you ever really
In her eyes	(Really, really ever loved)
You know you really love a woman	Really, really ever loved
When you love a woman	A woman?
You tell her that she's (12) wanted	
When you love a woman	
You tell her that she's the one	
'cause she (13) somebody
