I'm Only Me When I'm With You by Taylor Swift

Friday night beneath the stars	You say that you can't live without me
In a field (1) your yard	I'm only up when you're not down
You and I are painting pictures in the sky	Don't wanna fly if you're still on the ground
And (2) we don't say a thing	It's (17) no matter what I do
Just (3) to the (4) sing	Well, you drive me crazy half the time
Everything I (5) is right here by my side	The (18) (19) I'm only trying
And I know everything (6) you	To let you (20) that what I (21) is true
I don't wanna live without you	And I'm only me when I'm (22) you
I'm only up (7) you're not down	When I'm with anybody else
Don't wanna fly if you're still on the ground	It's so hard to be myself
It's (8) no matter (9) I do	And only you can see
Well, you drive me crazy half the time	That I'm (23) up when you're not down
The (10) half I'm (11) trying	Don't wanna fly if you're (24) on the ground
To let you (12) that what I feel is true	It's like no (25) what I do
And I'm only me (13) I'm with you	Well, you drive me crazy half the time
Just a small town boy and girl	The other half I'm only trying
Livin' in a (14) world	To let you know that what I feel is true
Tryin' to figure out what is and isn't true	And I'm only me, who I (26) be
And I don't try to hide my tears	Well, I'm only me when I'm (27) you
The (15) all my deepest fears	With you
Through it all nobody gets me (16) you do	
And you know everything about me
