

And the road to darkness has a way

## Fill in the gaps

Nobody knows	Of always knowing my name	
Nobody knows but me	But I think nobody knows	
That I sometimes cry	No no	
If I could pretend (1) I'm asleep	Nobody knows no no no no	
When my tears start to fall	Baby	
I (2) out (3) behind these walls	(Oh) the secret's safe with me	
I think (4) knows	There's nowhere else in the world	
Nobody knows no	That I could ever be (oh)	
Nobody likes	And baby	
Nobody (5) to lose their inner voice	Don't it feel like I'm all alone	
The one I used to hear before my life	Who's gonna be there	
Made a choice	After the last angel has flown	
But I think nobody knows	And I've lost my way back home	
No no	And (oh) no no no	
Nobody knows	Nobody knows	
No	No no no no no	
Baby	Tomorrow I'll be there my friend	
(Oh) the secret's safe with me	I'll (7) up and start all over again	
There's nowhere else in the world	When everybody (8) is gone	
That I could ever be	No no no	
And baby	Nobody knows	
Don't it feel like I'm all alone	Nobody (9) the (10) of m	y hear
Who's gonna be there	The way I do when I'm lying in the dark	
After the last angel has flown	And the world is asleep	
And I've lost my way back home	I think nobody knows	
I think (6) knows no	Nobody knows	
I said nobody knows	Nobody knows but me	
Nobody cares	Me
