

## Fill in the gaps

Days in blue and nights in fever			
Fall in Chinatown			
Flames and light, a silent fire			
Not a single sound			
(Who (1) to cry for love)			
(Oh) Time and time again			
I (2) to cry for some love			
Tonight			
And we'll be together			
(With a little (3) a little luck)			
We'll be coming out of the dark			
Say you will			
Say you'll come my way			
And this means forever			
(With a little (4) a little luck)			
We'll be coming out of the dark			
Say you will			
Say you will			
Say you'll come

Say you'll come			
Say you'll come Night is cold and moon is flashing			
Say you'll come Night is cold and moon is flashing In a (5) dance			
Say you'll come  Night is cold and moon is flashing  In a (5) dance  I don't care 'cause you're beside me			
Say you'll come  Night is cold and moon is flashing In a (5) dance I don't care 'cause you're beside me I can take my chance			
Say you'll come Night is cold and moon is flashing In a (5) dance I don't care 'cause you're beside me I can take my chance (Who used to cry for love)
