

## Fill in the gaps

Days in (1) and nights in fever	(With a little luck a little luck)
Fall in Chinatown	We'll be coming out of the dark
Flames and light, a (2) fire	Say you will
Not a single sound	Say you'll come my way
(Who used to cry for love)	And (13) means forever
(Oh) (3) and time again	(With a little luck a little luck)
(4) to cry for some love	We'll be (14) out of the dark
Tonight	Say you will
And we'll be together	Say you'll come
(With a little luck a (5) luck)	It's (15) a wave
We'll be coming out of the dark	That touched my skin
Say you will	And I'll let you stay
Say you'll (6) my way	And we'll be together
And this (7) forever	And we'll be together
(With a little luck a little luck)	(With a (16) luck a (17) luck
We'll be coming out of the dark	We'll be coming out of the dark
Say you will	Say you will
Say you'll come	Say you'll (18) my way
Night is cold and moon is flashing	And (19) means forever
n a (8) dance	(With a (20) luck a (21) luck
don't (9) 'cause you're (10) me	We'll be coming out of the dark
can (11) my chance	Say you will
(Who used to cry for love)	Say you'll come
(Oh) Time and time again	And we'll be together
used to cry for (12) love	(With a little (22) a (23) luck)
Tonight	
And we'll be together
