

## Fill in the gaps

Days in blue and nights in fever	(With a little luck a little luck)
Fall in Chinatown	We'll be coming out of the dark
Flames and light, a silent fire	Say you will
Not a single sound	Say you'll come my way
(Who (1) to cry for love)	And this (4) forever
(Oh) Time and time again	(With a little luck a little luck)
I used to cry for some love	We'll be coming out of the dark
Tonight	Say you will
And we'll be together	Say you'll come
(With a little luck a little luck)	It's like a wave
We'll be coming out of the dark	That (5) my skin
Say you will	And I'll let you stay
Say you'll come my way	And we'll be together
And (2) means forever	And we'll be together
(With a little luck a little luck)	(With a little (6) a (7) luck)
We'll be coming out of the dark	We'll be coming out of the dark
Say you will	Say you will
Say you'll come	Say you'll come my way
Night is cold and moon is flashing	And this (8) forever
In a lonesome dance	(With a (9) luck a little luck)
I don't care 'cause you're beside me	We'll be coming out of the dark
I can take my chance	Say you will
(Who used to cry for love)	Say you'll come
(Oh) Time and time again	And we'll be together
I used to cry for (3) love	(With a little luck a little luck)
Tonight	
And we'll be together
