

Fill in the gaps

From the get-go, I (1) this was (2) to	We're like a time bomb
hold	Gonna lose it
Like a crash, the whole thing spun out of control	Let's (15) it
(Oh) on a wire, we were dancing	Baby, we're like a time bomb
Two kids, no consequences	But I need it
Pull the trigger without thinking	Wouldn't have it any other way
There's only one way down (3) road	Got my heart in your hands
It was like a time bomb set into motion	Like a time (16) ticking
We knew that we were (4) to explode	It goes off; we start again
And if I had to (5) you out of the wreckage	When it breaks, we fix it
You know I'm never gonna let you go	Got (17) in my hands
We're (6) a time bomb	Like a time (19) ticking
Gonna lose it	We should know better
Let's (7) it	But we won't let go
Baby, we're like a (8) bomb	It was (20) a time (21) set into motion
But I need it	We (22) we were
Wouldn't have it any other way	(24) to explode
Well, there's no way out of this, so let's (9) in	And if I had to pull you out of the wreckage
Every storm that comes also comes to an end	You know I'm never gonna let you let me go
(Oh) resistance is useless	We're like a time bomb
Just two kids stupid and fearless	Gonna lose it
Like a (10) shooting the lovesick	Let's diffuse it
There's (11) one way down this road	Baby, we're (25) a time bomb
It was like a (12) bomb set into motion	But I need it
We knew that we were (13) to explode	Wouldn't (26) it any other way
And if I had to pull you out of the wreckage	
You (14) I'm never gonna let you go
