

You know I'm never gonna let you go

Fill in the gaps

From the get-go, I knew this was hard to hold	We're like a time bomb
Like a crash, the whole thing spun out of control	Gonna lose it
(Oh) on a wire, we were dancing	Let's (4) it
Two kids, no consequences	Baby, we're like a time bomb
Pull the trigger without thinking	But I need it
There's only one way down (1) road	Wouldn't have it any other way
It was like a (2) bomb set into motion	Got my heart in your hands
We knew that we were (3) to explode	Like a time bomb ticking
And if I had to pull you out of the wreckage	It goes off; we (5) again
You know I'm never gonna let you go	When it breaks, we fix it
We're like a time bomb	Got your heart in my hands
Gonna lose it	Like a (6) bomb ticking
Let's diffuse it	We (7) know better
Baby, we're like a time bomb	But we won't let go
But I need it	It was like a time (8) set into motion
Wouldn't have it any other way	We knew that we were destined to explode
Well, there's no way out of this, so let's stay in	And if I had to (9) you out of the wreckage
Every storm that comes also comes to an end	You know I'm never gonna let you let me go
(Oh) resistance is useless	We're like a time bomb
Just two kids stupid and fearless	Gonna lose it
Like a bullet shooting the lovesick	Let's diffuse it
There's only one way down this road	Baby, we're like a time bomb
It was like a time bomb set into motion	But I need it
We knew that we were destined to explode	Wouldn't have it any other way
And if I had to pull you out of the wreckage
