

Over You by Daughtry

Now that it's all said and done
I can't believe you were the one
To build me up then (1)_____ me down
Like an old abandoned house
And what you said when you left
Just left me cold and out of breath
I fell too far, was in way too deep
Guess I let you get the best of me...
Well, I (2)_____ saw it coming
I should've started running
A long, long time ago
And I never thought to doubt you
I'm better off without you
More than you, more than you know
I'm slowly getting closure
I guess it's really over
I'm finally getting better
Now I'm picking up the pieces
I'm spending all of these years
Putting my heart back together
'Cause the day I thought I'd never get through
I got over you
You took a hammer to these walls
Dragged the (3)_____ down the hall
Packed your bags and walked away
There was nothing I could say
And when you slammed the (4)_____ (5)_____
shut
A lot of others opened up
So did my (6)_____ so I could see
That you (7)_____ were the best for me
Well, I never saw it coming
I should've started running
A long, long time ago
And I never thought to doubt you
I'm better off without you
More than you, more than you know
