

## Fill in the gaps

Baby lock the door and turn the (1) down low	I can't believe how (7) it turns me on
Put some music on that's soft and slow	Just to be your man
Baby we ain't got no place to go	Ain't nobody ever love nobody
I (2) you understand	The way that I love you
I've been thinking 'bout (3) all day long	We're (8) now
Never felt a feeling quite this strong	You don't know how long I've wanted to
I can't believe how much it turns me on	Lock the door and turn the lights down low
Just to be your man	Put some (9) on that's soft and slow
There's no hurry	Baby we ain't got no place to go
Don't you worry	I hope you understand
We can take our time	I've been thinking 'bout this all day long
Come a little closer	Never felt a feeling that was quite this strong
Let's go (4) what I had in mind	I can't believe how much it turns me on
Baby (5) the (6) and turn the lights	Just to be your man
down low	I can't believe how much it (10) me on
Put some music on that's soft and slow	Just to be your man
Baby we ain't got no place to go	
I hope you understand	
I've been thinking 'bout this all day long	
Never felt a feeling quite this strong
