

Fill in the gaps

Walking (1) the highway	Knew (15) I adored you
Traffic's (2) my way	The moment (16) I saw you
All I see are flashing lights	Just terrified you'd (17) me away
People (3) in blue suits	We're all dying slowly
Wanna know the real truth	Just (18) you to hold me
How many did I have tonight?	What are we waiting for?
Looking at the wreckage	We're alive
Anyone would guess that all inside had died	No I didn't pray to God
But I'm alive	No I (19) saw the light
Wake up in a (4) bed	No I didn't watch my life
Angels (5) my head	Go flashing right before my eyes
One of them is shouting clear	No I didn't do the things
Thousand bolts of lightning	That (20) all said that I would do
Bring me (6) to life	I just (21) my eyes and all I saw was you
And it's a (7) (8) I'm still here	If I don't die (22) in the rain
As I'm (9) to I'm (10)	And I live another day (23) I run to you
out for you	'Cause I don't (24) regrets
I (11) you by my side	Just (25) I'd never say out to you
(Oh) I'm alive	No I didn't pray to God
No I didn't pray to God	No I never saw the light
No I never saw the light	No I didn't watch my life
No I didn't watch my life	Go flashing right before my eyes
Go flashing right before my eyes	No I didn't do the things
No I didn't do the things	That they all said that I would do
That (12) all (13) (14) I	I (26) closed my eyes and all I saw was you
would do	
I just closed my eyes and all I saw was you	
All the things in my head	
Everything left unsaid	
I never got a second to say
