

I think of you and all you've done			
Tell me do you see me or have I gone?			
While the whitest eyes are wasting tears			
Have you (1) left me here?			
I need to rush, the timing's wrong			
But in another year, I could be gone			
In another time, in (2) pla	се		
Would I even wake?			
You told me to let go			
And I had my (3) closed			
Why would you wake me			
If you're not gonna save me?			
You make me want you			
But I didn't want to			
Why would you wake me			
If you're not gonna save me?			
I didn't know what you've become			
I never thought that I'd see you run			
Should (4) let me sleep			
No you didn't need to be waking me			
It's chemical, you (5) never mine			
When I needed you, couldn't even fight			
In another time, in (6) pla	се		

Would I even wake?
