

Fill in the gaps

Once (1) I try to make things work	It's forever gone
Facing all the power of society	Against the wind we run
Searching all the (2) of the life	To (13) place (14) the sun
I'll never make it on my own	We've got so (15) power inside
Was I (3) to (4) everytime	We will (16) up
Seems to me that's my destiny	Against the (18) we go
Is this all that's left to me	Towards the new shore
Confusion and bad memories	Together we'll forget the sorrow
But now my (5) has come	It's forever gone
No more (6) in the dark	Against the wind we run
I want much (7) than this	To every place (19) the sun
I really (8) it all	We've got so much (20) inside
Against the wind we run	We will never (21) up
To every place (9) the sun	Against the (22) we go
We've got so (10) power inside	Towards the new shore
We (11) give up	Together we'll forget the sorrow
Against the wind we go	It's forever gone
Towards the new shore	
Together we'll forget the sorrow
