

## Fill in the gaps

Once again I try to make things work
Facing all the power of society
Searching all the answers of the life
I'll never make it on my own
Was I (1) to fail everytime
Seems to me that's my destiny
Is this all that's left to me
Confusion and bad memories
But now my time has come
No (2) running in the dark
I (3) much more than this
I really want it all
Against the wind we run
To every place under the sun
We've got so much (4) inside
We (5) never (6) up
Against the wind we go
Towards the new shore
Together we'll forget the sorrow

It's forever gone
Against the wind we run
To every (7) under the sun
We've got so much power inside
We will never give up
Against the wind we go
Towards the new shore
Together we'll (8) the sorrow
It's forever gone
Against the wind we run
To (9) place under the sun
We've got so (10) power inside
We will never give up
Against the wind we go
Towards the new shore
Together we'll forget the sorrow
It's forever gone
