

## Fill in the gaps

| No rear, no pain           | See the world throught my eyes |
|----------------------------|--------------------------------|
| Nobody (1) to blame        | Would not stumble nor fail     |
| 'll try alone              | I could revage my jail         |
| Make destiny my own        | (If I (13) fly)                |
| learn to (2) my mind       | If I could, if I could         |
| Myself I now must find     | Fly                            |
| Once more, once more       | If I could, if I could         |
| f I (3) fly                | Fly                            |
| Like the king of the sky   | If I could                     |
| Could not tumble nor fall  | If I (14) fly                  |
| would picture it all       | Like the (15) of the sky       |
| f I (4) fly                | Could not (16) nor fall        |
| See the (5) my eyes        | I (17) (18) it all             |
| Would not stumble nor fail | If I (19) fly                  |
| To the heavens I sail      | See the (20) trough my eyes    |
| (If I could fly)           | Would not (21) nor fail        |
| So here I am               | To the heavens I sail          |
| n (7) I stand              | If I (22) fly                  |
| 've got dreams inside      | Like the king of the sky       |
| need to realize            | Could not (23) nor fall        |
| My (8) has grown           | I would (24) it all            |
| No (9) of the unknown      | If I (25) fly                  |
| No more, no more           | See the (26) trought my eyes   |
| f I could fly              | Would not stumble nor fail     |
| Like the king of the sky   | I could revage my jail         |
| Could not (10) nor fall    | If I (27) fly                  |
| (11) it all                |                                |
| f I could fly              |                                |
