

Fill in the gaps

Can you imagine someone being true	Now I am standing her
Turn 'round and put himself in (1) of you	To make you sing thes
Sometimes it's fun but then you never know	And know they'll never
How far a thing like this might go	We've got the power, v
All my (2) I've waited for a chance	We (8) the
To get right out of here	Extracting tension from
And (3) I had it in my hands	We are the ones to cov
I could not let it go	
We've got the power, we are divine	We've got the power, v
We have the guts to follow the sign	We have the (9)
Extracting tension (4) sources unknown	Extracting tension from
We are the ones to cover the throne	We are the ones to cov
Try if you can to come where we have gone	We've got the power, v
You may achieve what can't be simply done	
Look back and there you are (5) we have been	
And still there's so (6) inbetween	
All those (7) I've travelled 'round this world	

Now I am standing here
To make you sing these tunes
And know they'll never let you go
We've got the power, we are divine
We (8) the guts to follow the sign
Extracting tension from sources unknown
We are the ones to cover the throne
We've got the power, we are divine
We have the (9) to (10) the sign
Extracting tension from sources unknown
We are the ones to cover the throne
We've got the power, we are divine
