## When The Wild Wind Blows by Iron Maiden

Have you heard what they said on the news today		He's (6) tired that'll do	for now
Have you heard what is coming to us all		They are preparing for the very worst to come to them	
That the world as we know it		Getting ready when the wild wind blows	
Will be coming to an end		He sees the picture on the wall it's falling down	
Have you heard?		Upside down	
Have you heard?		He sees a teardrop from his wife roll down her face	
He sees them in the distance		Saying grace	
Where the (1)	clouds roll	Remember time they had	
He can feel (2)	in the atmosphere	They flash right through his mind	
He would look in the mirror		Left behind	
See an old man now		Of a lifetime spent together long ago	
Does it matter they survive somehow		Will be gone	
They said there's nothing		They've been preparing for some weeks now	
Can be done about the situation		For when the crucial moment comes	
They say there's nothing we can do at all		To take their refuge in the shelter	
To sit and wait around for something to occur		Let them prepare for what will come	
Did you know?		They make a tea and sit there waiting	
Did you know?		They're in the shelter feeling snug	
As he stares across the garden		Not long to wait for absolution	
_ooking at the mea dows		Don't make a (7) just sit and v	vait
Nonders if they'll ever grow again		Can't believe all the lying	
The desperation of the situation getting graver		All the screens are denying	
Getting ready when the wild wind blows		That the moments of truth have begun	
Have you seen what they said on the news today		Can't you see it on the T.V.	
Have you heard what they said about us all		Don't believe them in the least bit	
Do you know what is happening		Now the days of our ending have begun	
To just everyone of us		Say a prayer when it's all over	
Have you heard?		Survivors unite all as one	
Have you heard?		Got to try and help each other	
There will be a catastrophe that like we've never seen		Got the will to overcome	
There will be something that will light the sky		I can't believe all the lying	
That the world as we know it		All the screens are denying	
t will never be the same		That the moments of truth have begun	
Did you know?		Can't you see it on the T.V.	
Did you know?		Don't believe them in the least bit	
He carries (3)	into the shelter not a	Now the days of our ending have begun

Getting ready when the moment comes		Had (8) arms wrapped around each other	
He has enough (4)	to last them for a	Their tins of poison laying nearby (9)	clothe
