

About the ball we dreamt

Fill in the gaps

Dear Darlin'	Feeling like the (8) was sinking
Please excuse my writing	I was warm in the hope of your eyes
I can't stop my hands (1) shaking	So if my words break through the wall
'Cause I'm cold and alone tonight	To meet you at your door
I (2) you	All I could say is "girl, I mean them all"
And nothing hurts like no you	Dear Darlin'
And no one understands what we went through	Please excuse my writing
It was short	I can't stop my hands from shaking
It was sweet	'Cause I'm cold and alone tonight
We tried	I miss you
And if my words break through the wall	And nothing hurts like no you
And meet you at your door	And no one understands what we went through
All I could say is "girl, I (3) them all"	It was short
Dear Darlin'	It was sweet
Please excuse my writing	We tried
I can't (4) my (5) from shaking	(Oh) I concur
'Cause I'm (6) and alone tonight	These arms are yours to hold
I miss you	And I miss you
And nothing hurts (7) no you	And (9) hurts like no you
And no one understands what we went through	And no one understands what we went through
It was short	It was short
It was sweet	It was sweet
We tried	We tried
We tried	We tried
I understand where he's coming from
