

Fill in the gaps

Johnny, take a walk with your sister the moon
Let her pale light in, to fill up (1) room
You've been (2) underground
(3) from a can
You've been (4) away
From what you (5) understand
She's slippy, you're sliding down
She'll be there when you hit the ground
It's alright, it's alright, alright
She moves in mysterious ways
It's alright, it's alright, alright
She moves in mysterious ways (oh)
Johnny, take a dive with your sister in the rain
Let her talk about the things you can't explain
To touch is to heal, to hurt is to steal
If you want to kiss the sky, better learn how to kneel
On (6) knees, boy!
She's the wave, she turns the tide
She sees the man inside the child
It's alright, it's alright, alright
She moves in mysterious ways
It's alright, it's alright, alright

She moves in mysterious ways
It's alright, it's alright, alright
Lift my days, light up my nights (oh)
One day you'll look back, and you'll see
Where you were held now by this love
While you (7) stand there
You could move on this moment
Follow this feeling
It's alright, (8) alright, alright
She moves in mysterious ways
It's alright, it's alright, alright
She moves in mysterious ways
It's alright, it's alright, alright
(Move you, spirits move you)
(Move, spirits 'its (9) you, oh yeah)
Does it move you?
She moves with it
Lift my days, and light up my nights (oh)
