SUB inglés

Burning down love

Fill in the gaps

Where The Streets Have No Name (Live) by U2

Amazing grace	And when I go there
How sweet the sound	I go there with you
That saved	It's all I can do
A wretch	The city's a flood
Like me	And our love turns to rust
I once	We're (4) and (5) by the wind
Was lost	Trampled in dust
Though now	l'll (6) you a place
I'm found	It's high
I was blind	High
But now	Where the streets have no
I see	Name
I was blind	Where the streets have no name
But now	Where the streets have no name
I see	We're (7) building and burning down love
	Burning down love
(Come on, come on)	And when I go there
I wanna run	I go there with you (to (8) place)
I want to hide	It's all I can do
I wanna tear down the walls	
That (1) me inside	Love, love, love
I wanna reach out	Only love
And touch the flame	Where the streets have no name
Where the streets have no name	Where the streets have no name
I wanna feel	We're still (9) and burning down love
Sunlight on my face	Burning down love
I see the dust-cloud disappear	And when I go there
Without a trace	I go there with you
I wanna take shelter	It's all I can do
From hurricane	Love
Where the streets have no	We are love
Name	We are love
Where the (2) have no name	Africa rising
Where the streets have no name	
We're still building and (3) down love
