

## Fill in the gaps

## Where The Streets Have No Name (Live) by U2

Amazing grace		And when I go there
How (1) th	e sound	I go there (10) you
That saved		It's all I can do
A wretch		The city's a flood
Like me		And our love turns to rust
I once		We're (11) and (12) by the wind
Was lost		Trampled in dust
Though now		I'll show you a place
I'm found		It's high
I was blind		High
But now		Where the (13) have no
I see		Name
I was blind		Where the streets (14) no name
But now		Where the streets have no name
I see		We're (15) building and burning down love
		Burning (16) love
(Come on, come on)		And (17) I go there
I (2) run		I go there with you (to (18) place)
I (3) to hide		It's all I can do
I wanna (4) down the walls		
That hold me inside		Love, love
I wanna reach out		Only love
And touch the flame		Where the (19) (20) no name
Where the (5)	have no name	Where the (21) no name
I wanna feel		We're still (23) and
Sunlight on my face		(24) down love
Sunlight on my face I see the dust-cloud disappear		Burning down love
Without a trace		And when I go there
I (6) take shelter		I go there with you
From hurricane		It's all I can do
Where the streets (7)	no	Love
Name		We are love
Where the streets have no name		We are love
Where the (8)	have no name	Africa rising
We're still building and b	ourning down love	
Burning (9) lo	ove
