Fill in the gaps

Where The Streets Have No Name by U2

	Trampled in dust
want to run	I'll show you a place
want to hide	High on a desert plain
want to tear down the walls	Where the streets have no name
That hold me inside	
want to reach out	Where the streets (4) no name
And touch the flame, yeah	Where the (5) have no name
Where the streets have no name	We're (6) building, then (7)
want to feel (1) on my face	down love
see the dust cloud disappear	Burning (8) love
Nithout a trace	And when I go there
wanna take shelter	I go (9) with you
From the poison rain, yeah	It's all I can do
Where the (2) have no name	Our love turns to rust
	We're beaten and blown by the wind
Where the streets have no name	Blown by the wind
Where the streets have no name	See our (10) turn to rust
We're still building, then burning down love	I'll be beaten and blown by the wind
Burning down love	Blown by the wind
And when I go there	(Oh) and when I go there
go there with you	I go there with you
t's all I can do	It's all I can do
The city's a flood	
And our love turns to rust
