## Where The Streets Have No Name by U2

	Trampled in dust
I (1) to run	I'll show you a place
I want to hide	High on a desert plain
I want to (2) down the walls	Where the streets have no name
That (3) me inside	
I (4) to reach out	Where the (15) (16) no name
And touch the flame, yeah	Where the (17) have no name
Where the (5) have no name	We're still building, then burning (18) love
I want to feel (6) on my face	Burning down love
I see the (7) cloud disappear	And when I go there
Without a trace	I go there (19) you
I wanna take shelter	It's all I can do
From the (8) rain, yeah	Our (20) turns to rust
Where the streets have no name	We're (21) and blown by the wind
	Blown by the wind
Where the streets have no name	See our love turn to rust
Where the streets (9) no name	I'll be (22) and (23) by the wind
We're still building, (10) burning (11)	Blown by the wind
love	(Oh) and (24) I go there
Burning (12) love	I go there (25) you
And (13) I go there	It's all I can do
I go there with you	
It's all I can do	
The city's a flood	
And our (14) turns to rust	
We're beaten and blown by the wind
