Where The Streets Have No Name by U2

	Trampled in dust
I want to run	l'll (7) you a place
I want to hide	High on a desert plain
I want to tear down the walls	Where the streets have no name
That hold me inside	
I want to reach out	Where the streets have no name
And touch the flame, yeah	Where the streets have no name
Where the streets have no name	We're still building, then burning (8) love
I want to feel (1) on my face	Burning down love
I see the (2) cloud disappear	And when I go there
Without a trace	I go there (9) you
I wanna take shelter	It's all I can do
From the poison rain, yeah	Our love turns to rust
Where the streets have no name	We're beaten and blown by the wind
	Blown by the wind
Where the streets have no name	See our love turn to rust
Where the streets have no name	I'll be beaten and blown by the wind
We're still building, then (3) down I	ove Blown by the wind
Burning down love	(Oh) and (10) I go there
And when I go there	I go there with you
I go (4) with you	It's all I can do
It's all I can do	
The city's a flood	
And our (5) turns to rust	
We're beaten and (6) by the wind
