Made a wrong turn	I've (3) all I can think of
Once or twice	Chased down all my demons
Dug my way out	I've seen you do the same
Blood and fire	(Oh) pretty pretty please
Bad decisions	Don't you ever ever feel
That's alright	Like you're less than
Welcome to my silly life	Less (4) perfect
Mistreated, misplaced, misunderstood	Pretty pretty please
Miss (1) it's all good	Don't you ever ever feel
It didn't slow me down	Like you're nothing
Mistaken	You're perfect
Always second guessing, underestimated	The whole world's (5) so I swallow the fear
Look, I'm still around	The (6) thing I should be drinking is an ice cold
Pretty pretty please	beer
Don't you ever ever feel	So cool and lime
Like you're less than	And we try try try
Less than perfect	But we try too hard and it's a waste of my time
Pretty pretty please	Done (7) for the critics, 'cause they're
Don't you ever ever feel	everywhere
Like you're nothing	They dont like my jeans, (8) don't get my hair
You're (2) to me	Exchange ourselves, and we do it all the time
You're so mean	Why do I do that
When you talk about yourself	Why do we do that
You were wrong	Why?
Change the voices	Yeah, yes you're perfect
In your head	(Oh) you're prefect to me
Make them like you instead	(Ooh yeah)
So complicated	Pretty pretty please
Look happy, you'll make it	Don't you ever ever feel
Filled with so much hatred	Like you're nothing
Such a tired game	You're perfect
It's enough	To me

- 2. perfect
- 3. done
- 4. than
