## Fill in the gaps

Yo, man	When I told her it wasn't me
Yo	Make you know say (7) she really no right for vex
Open up, man	And never you should see her make the giggolo flex
What do you want, man?	As funny as it be by you, it not that complex
My girl just caught me	Seeing is believing so you better change your specs
You let her (1) you?	You know she ain't worrying about things from the past
I don't know how I let this happen	Hardly recollecting and then she'll go to noon time mass
With who?	Wait for your answer, go over there
The (2) next door, you know?	But if she pack a gun you know you better run fast
Man	But she caught me on the counter (it wasn't me)
I don't know what to do	Saw me kissing on the sofa (it wasn't me)
Say it wasn't you	I even had her in the shower (it wasn't me)
Alright	She even caught me on camera (it wasn't me)
Honey came in and she caught me red-handed	She saw the marks on my shoulder (it wasn't me)
Creeping (3) the girl next door	Heard the words that I told her (it wasn't me)
Picture this: we were both caught making	Heard the scream get louder (it wasn't me)
Love on the bathroom floor	She stayed until it was over
How could I forget that I had given her an extra key	Honey came in and she caught me red-handed
All this (4) she was standing there	Creeping with the girl next door
She never took her eyes off me	Picture this, we (8) both caught making
How you can (5) the woman access to your villa	Love on the bathroom floor
Trespasser and a witness while you cling to your pillow	How could I (9) that I had given her an extra
You better watch your back before she turn into a killer	key
Best for you and the situation not to call the beaner	All this time she was standing there
