

## Fill in the gaps

Don't		Down, down, (5) that	s why	
Try to make me stay		I find your lips		
Or ask if I'm okay		So kissable		
I (1) have the answer		And your kiss		
Don't		Unmissable		
Make me stay the night		Your fingertips		
Or ask if I'm alright		So touchable		
I don't have the answer		And your eyes		
Heartache, (2)	last forever	Irresistible (irresistible)		
I'll say I'm fine		Irresistible (irresistible)	rresistible)	
Midnight, ain't no time for laughing		Irresistible (irresistible)		
When you say goodbye		Irresistible (irresistible)		
It makes (3) lips		It's in your lips		
So kissable		And in your kiss		
And your kiss		It's in (6) touch		
Unmissable		And (7) fingertips		
Your fingertips		And it's in all the (8)	and other things	
So touchable		That make you who you are		
And your eyes		And your eyes		
Irresistible		Irresistible		
I've tried to ask myself		It (9) your lips		
Should I see someone else		So kissable		
I wish I knew the answer		And (10) kiss		
But I know		Unmissable		
If I go now		Your fingertips		
If I leave		So touchable		
Then I'm on my own tonight		And your eyes		
I'll never know the answer		Irresistible		
Midnight doesn't last forever				
Dark turns to light
