

I wanna be forever young

Fill in the gaps

Forever Young (Cover) by One Direction

Let's dance in style			Do you really (8) to live forever
Let's (1)	for a while		Forever
Heaven can wait we're only (2) the skies			Or never?
Hoping for the best but expecting the worst			So (9) adventures couldn't happen today
Are you gonna drop the bomb or not?			So many songs we forgot to play
Let us die young or let us live forever			So many dreams are swinging out of the blue
We don't have the (3) but we never say never			We let 'em come true
Sitting in a sandpit, life is a (4) trip			Forever young
The music's for the sad man			I wanna be forever young
Forever young			Do you really want to live forever
I wanna be forever young			Forever
Do you really want to live forever			Or never?
Forever			Forever young
Forever young			I wanna be forever young
Some are like water, some are like the heat			Do you really want to live forever
Some are (5) the melody of some other beat			Forever
But sooner or later they all will be gone			Or never?
Why don't they stay young?			Forever young
It's (6) to g	get old (7)	a cause	I wanna be forever young (forever)
I don't want to perish like a fading horse			Do you really want to live forever
It's like diamonds in the sun			Forever
And diamonds are forever			Or never?
Forever young			Forever young
I wanna be forever young			I wanna be forever young (forever)
Do you really want to live forever			Do you really want to live forever (forever)
Forever			Forever (forever)
Or never?			Forever young
