Two More Years by Bloc Party

In two more years, my sweetheart
We will see another view
Such longing for the past for such completion
What was (1)_____ golden
Has now turned a shade of grey
I've become crueller in your presence
They say, be brave
There's a right way in a (2)_____ way
This pain won't last for ever
This pain won't last for ever
Two more years, there's only two more years
Two more years, there's (3)_____ two more years
In two more years so hold on
Two more years, there's (4)_____ two (5)_____ years
Two more years, there's only two more years
In two more years so hold on
You've cried enough this lifetime
My beloved polar bear
Tears to fill a sea to drown a beacon
To start anew all over
Remove those scars from your arms
To start (6)_____ all over more enlightened
I know (I know), my love
This is not the only story you can tell
This pain won't last for ever
This pain won't last for ever

Two more years, there's only two more years
Two more years, there's only two more years
In two (7)_____ years so hold on
Two more years, there's only two more years
Two more years, there's only two more years
In two more years so hold on
You don't need to find answers
For questions never asked of you

You don't need to find answers
For questions never asked of you
You don't need to find answers
Dead weights, balloons
Drag me to you
I've become crueller, since I met you
I've become rougher, this world is killing me
You don't need to find answers
For questions never asked of you
