

Fill in the gaps

(You are my everlasting)	Two hearts as one
(You are my everlasting love)	Loving me, loving you
Hearts go astray	Open up your eyes
Leaving hurt when they go	Then you'll realize
You went away	Here I stand with my everlasting love
Just when I (1) you so	Need you by my side
Finding (2) way	There's no need to hide
You'll come back wanting me	Never be denied everlasting love
I'm gonna stay	From the very start
Loving you endlessly	Open up your heart
Open up your eyes	Be a lasting part of everlasting love
Then you'll realize	(You are my everlasting)
Here I stand with my (3) love	(You are my everlasting love)
Need you by my side	Open up your eyes
There's no need to hide	Then you'll realize
Never be (4) everlasting love	Here I stand with my everlasting love
From the very start	Need you by my side
Open up your heart	There's no (7) to hide
Be a lasting (5) of everlasting love	Never be denied everlasting love
(You are my everlasting)	From the (8) start
(You are my everlasting love)	Open up (9) heart
Look in my eyes	Be a lasting part of everlasting love
See my love burning strong	Open up your eyes
No more goodbyes	Then you'll realize
In your arms I belong	Here I stand with my everlasting love
Our time has come
