

## Fill in the gaps

You were a child,	A (7) is born,
crawlin' on (1) knees (2) it.	crying out for attention.
Makin' mama so proud,	Memories fade,
but your voice is too loud.	like looking (8) a fogged mirror
We like to watch you laughing.	Decisions to (9) are made and not
Pickin' insects off plants.	fought
No (3) to think of consequences.	But I thought,
Enjoy yourself.	this wouldn't hurt a lot.
Take only (4) you need from it.	I guess not.
A family of trees wanting,	Enjoy yourself.
To be haunted.	Take only what you need from it.
Enjoy yourself.	A family of trees wantin',
Take (5) what you need (6) it.	To be haunted.
A family of trees wantin',	Enjoy yourself.
To be haunted.	Take only what you need from it.
The water is warm,	A family of trees wantin',
but its sending me shivers.	To be haunted.
