

Fill in the gaps

Only now it's gone		When you cry
I can see the year		I hear nothing
See it for what it was		See no need to reply
And (1) (2) day		I can smile now
All the liberty you took		And (17) away
The love that you abused		Come (18) here
The (3) that you turned		So you can see me walk away
Against me if you could		And celebrate
And you're twisting (4) I say		The end of night (the end of night)
All that (5) you (6) sca	ared	The end of (19) (the end of night)
It doesn't (7) anymore		The end of night (the end of night)
'Cause I'm not there		The end of night (the end of night)
You were careless (8) the (9)	_ kicked in	After the (20) comes love
And (10) when it left		I hate to hate and I love to love
And careless all the way		After the (21) comes love
I didn't see it till the end		I hate to hate and I (22) to love
I feel nothing		I feel nothing
When you cry		When you cry
I hear nothing		I (23) nothing
See no need to reply		See no (24) to reply
I can smile now		I can smile now
And turn away		And turn away
Come over here		Come over here
So you can see me walk away		So you can see me walk away
And celebrate		And celebrate
The end of night (the end of night)		The end of night (the end of night)
The end of night (the end of night)		The end of night (the end of night)
The end of night (the end of night)		The end of night (the end of night)
The end of night (the end of night)		The end of (25) (the end of night)
It only (11) one lie		(The end of night, the end of night)
To bring (12) house down		After the fall comes love
Behind closed doors		(The end of night, the end of night)
No one (13) the first time round		(The end of night, the end of night)
Pain is worse when		I hate to hate and I love to love
You bring it on yourself		(The end of night, the end of night)
The sweetest bully building		The end of night (the end of night)
A love that couldn't last		The end of night (the end of night)
You were ugly when the beat (14)	in	The end of night (the end of night)
And ugly (15) it left		The end of (26) (the end of night)
And (16) all the way		
I didn't see it till the end		
I feel nothing
