From the books that we have read And in the face of every criminal

Fill in the gaps

At The Bottom Of Everything by Bright Eyes

So there was this woman	Strapped firmly to a chair
And she was on an airplane	We must stare, we must stare, we (8) stare
And she was flying to meet her fiance	We must take all of the medicines
Seaming high above the	Too expensive now to sell
The (1) ocean on planet Earth	Set fire to the preacher who is promising us hell
And she was sitting next to this man	And in the ear of every anarchist
Who you (2) she had tried	That sleeps but doesn't dream
To start conversations	We must sing, we must sing, we must sing
And the only thing she had really heard him say	It'll go like this, all right
Was to order his bloody Mary	While my mother waters plants
And she's sitting there	My father loads his gun
And she's (3) this really arduous magazine	He says : "death will give us back to God
article	Just like the setting Sun
About a (4) World country (5) she	Is return to the lonesome ocean"
can't	And then they splashed into the deep blue sea
Even pronounce the name of and	Oh, it was a wonderful splash
She is feeling	We must blend into the choir
Very bored, and very despondent	Sing ecstatic with the whole
And then (um) suddenly	We must (9) nine numbers
There was this huge mechanical failure	And deny we have a soul,
And one of the engines gave out	And in this endless race for property
And they started, just, falling	And privilege to be won
Thirty-thousand feet	We must run, we must run, we must run
The pilot is on the microphone and he	We must hang up in the belfry
He's saying "I'm sorry, I'm sorry, oh my God	Where the bats and (10) laugh
I'm sorry" and apologizing	We must stare into a crystal ball
And she looks at the man and she says	And only see the past
She says she says: "where are we going?"	And in the caverns of tomorrow
And (um) he (6) at her	With just our flashlights and our love
And he says	We must plunge, we must plung, we must plunge
"We're going to a party	And then we'll get down there
It's a birthday party	Way down to the very bottom of everything
lt's your birthday party, happy birthday darling	And then we'll see it
We love you very, very, very	Oh we'll see it, we'll see it, we'll see it!
Very, very, very much"	Oh my morning's coming back
And then (um) he starts humming this little tune	The whole world's waking up
And, it kind of goes like this	All the city buses swimming past
ls kind of: 1, 2, 1, 2, 3, 4	I'm happy just because
We must talk in every telephone	I found out I am really no one
Get (7) off the web
