

See, he tastes like you only sweeter

Fill in the gaps

I'm gonna make you bend and	(Ohhhhhh)
I'm gonna (1) you bend and break	They say
(It sent you to me without wings)	I only think in the form of crunching numbers
Say a prayer, but let the good times roll	In hotel rooms
In case God doesn't show	Collecting page six lovers
(Let the (2) times roll, let the good times roll)	Get me out of my mind
And I want these words to (3) things right	Get you out of those clothes
But it's the wrongs	I'm a liner away
That make the words come to life	From getting you into the mood
Who does he (4) he is?	One night and one more time
If that's the worst you got	Thanks for the memories
Better put your (5) back to the keys	Even though they weren't so great
One night and one more time	He (8) like you only sweeter
Thanks for the memories	One night yeah, and one more time
Even though they weren't so great	Thanks for the memories
He tastes like you only sweeter	Thanks for the memories
One night yeah, and one more time	See, he tastes like you only sweeter
Thanks for the memories	(Ohhhhhh)
Thanks for the memories	One more night (one more night)
See, he tastes like you only sweeter	And one (9) time (one more time)
(Ohhhhhh)	Thanks for the memories
I'm looking forward to the future	Even though they weren't so great
But my (6) is (7) bad	He tastes like you only sweeter
And this crystal ball	One more (10) (one more night)
It's always cloudy	And one more time (one more time)
Except for (except for)	Thanks for the memories
When you look into the past (look into the past)	Even though they weren't so great
One night stand	He tastes like you only sweeter
One night stand	One more yeah (one more night)
One night and one more time	And one more time (one more time)
Thanks for the memories	Thanks for the memories
Even though they weren't so great	Thanks for the memories
He tastes like you only sweeter	See, he tastes like you only sweeter
One night yeah, and one more time	(Ohhhhhh)
Thanks for the memories	
Thanks for the memories
