

I'd do anything for you

Fill in the gaps

If I (1) you		I'd stand out in the rain
If I tell you now Will you keep on		Anything you want me to do
		Don't let it (6) away
Will you keep on loving me?		There's a quiet storm
If I tell you		And it (7) felt like this before
If I tell you how I feel		There's a quiet storm
Will you keep (2)	out the best in me?	I think it's you
You give me		There's a quiet storm
You give me the sweetest taboo You give me You're giving me the sweetest taboo		And I never felt this hot before
		Giving me something
		That's taboo
Too good for me		You give me the sweetest taboo
There's a quiet storm And it never felt like this before		That's why I'm
		In love with you
There's a quiet storm		You (8) me
That is you		Keep giving me the (9) taboo
There's a quiet storm		Too good for me
And it never felt this hot before		You've got the biggest heart
Giving me something		Sometimes I think you're just too good for me
That's taboo		Every day is Christmas
(Sometimes I think you're just too good for me)		And every (10) is New Year's Eve
You give me the sweetest taboo		Will you keep on
That's why I'm		Loving me?
In love (3) you		Will you keep on
You (4) me the (5)	taboo	Will you keep on bringing out the best in me?
Sometimes I think you're just too good	for me
