

Fill in the gaps

Forever And For Always by Shania Twain

	wanna (10) up (11) morning to your
In your arms I can still feel the way	sweet face
You (1) me (2) you hold me	Always
I can still hear the words you whispered	(I wanna wake up every morning)
When you told me	In your eyes
I can stay (3) here forever in your arms	(I can still see the look of the one)
And (4) ain't no way	I can (12) see the look of the one who really
I'm letting you go now	(13) me
And there ain't no way	(I can still feel the way that you want me)
And (5) ain't now how	The one who wouldn't put anything else
Never see that day	In the world (14) me
Cause I'm keeping you forever and for always	(I can (15) see love for me)
We will be together all of our days	I can (16) see love for me in (17)
Wanna wake up every morning to (6) sweet face	eyes
Always	(I can still see love)
(Mmm, baby)	And there ain't no way
In your heart	I'm lettin' you go now
I can still hear a beat for every time you kiss me	And there ain't no way
And when we're apart	And there ain't no how
I know how much you miss me	I'll never see that day
I can feel your love for me in (7) heart	'Cause I'm keeping you forever and for always
And there ain't no way	We will be together all of our days
I'm lettin' you go now	Wanna wake up (18) (19) to
And there ain't no way	your sweet face
And there ain't no how	I'm keeping you (20) and for always
I'll never see that day	We (21) be together all of our days
Cause I'm keeping you (8) and for always	Wanna wake up every morning to (22) sweet face
We (9) be together all of our days	I'm keeping you forever and for always
	In your arms
