

Fill in the gaps

We're in the world's of forgotten	Sometimes you're better lost (17) to be seen
They're (1) inside your memory	Don't (18) away
You're dragging on, your heart's (2) broken	From the arms of a moment
As we all go down in history	Don't (19) away
Where in the world did the time go?	From the arms of tomorrow
It's where (3) (4) seems to roam	Don't look away
Like losing faith to our abandon	From the (20) of a moment
Or an empty hallway from a broken home	Don't (21) away
Don't (5) away	From the (22) of love
From the arms of a bad dream	Don't look away
Don't look away	From the (23) of a bad dream
Sometimes you're better (6) than to be seen	Don't (24) away
I don't feel strange, it's more like haunted	Sometimes you're better (25) (26) to be
Another (7) (8) in time	seen
I can't quite put my finger on it	Don't look away
But it's like a (9) (10) was left behind	From the arms of a moment
So (11) in the world's the forgotten?	Don't look away
Like (12) (13) a long	From the arms of tomorrow
(14) war	Don't look away
We share the scars from our abandon	From the arms of a moment
And what we remember becomes folklore	Don't look away
Well, don't (15) away	From the arms of love
From the (16) of a bad dream	
Don't look away
