

Don't look away

Fill in the gaps

We're in the world's of forgotten	Sometimes you're better lost than to be seen
They're lost inside your memory	Don't look away
You're dragging on, your heart's been broken	From the arms of a moment
As we all go down in history	Don't look away
Where in the world did the time go?	From the arms of tomorrow
It's where (1) spirit seems to roam	Don't look away
Like losing faith to our abandon	From the arms of a moment
Or an (2) hallway from a broken home	Don't (8) away
Don't (3) away	From the arms of love
From the arms of a bad dream	Don't look away
Don't look away	From the arms of a bad dream
Sometimes you're better lost than to be seen	Don't look away
I don't feel strange, it's more like haunted	Sometimes you're better lost than to be seen
Another moment trapped in time	Don't (9) away
I can't quite put my (4) on it	From the arms of a moment
But it's like a (5) (6) was	Don't look away
(7) behind	From the arms of tomorrow
So where in the world's the forgotten?	Don't look away
Like soldiers from a long lost war	From the arms of a moment
We share the scars from our abandon	Don't look away
And what we remember becomes folklore	From the arms of love
Well, don't look away	
From the arms of a bad dream
