

I know it's time that I learned to

Fill in the gaps

	Treat the (16) I love like I (17)
When I'm nervous	be loved
I have this thing, yeah	This is a lesson learned
I talk too much	I hate that I let you down
Sometimes I just can't shut the hell up	And I feel so bad about it
It's like I need to tell someone	I guess karma comes back around
Anyone who'll listen	'Cause now I'm the one that's hurting, yes
And that's where I seem to **** **	And I hate (18) I (19) you think
Yeah, I forget (1) the consequences	That the trust we had is broken
For a minute there I lose my senses	So don't tell me you can't forgive me
And in the heat of the moment	'Cause nobody's perfect
My mouth (2) going	No, no, no, no, no, no
The words start flowing (oh)	No, no, no, no, no, no, no, no
But I never meant to (3) you	Nobody's perfect
I know it's time that I learned to	
Treat the (4) I love like I (5) be	No, no, no, no, no, no, no
loved	I'm not a saint
This is a (6) learned	No, not at all
I hate that I let you down	But what I did
And I (7) so bad (8) it	That wasn't cool
I (9) karma (10) (11)	But I swear that I'll never
around	Do that (20) to you
'Cause now I'm the one that's hurting	I'm not a saint (I'm not a saint)
And I hate that I made you think	No, not at all (no, not at all)
That the trust we had is broken	But what I did (but what I did)
So don't tell me you can't forgive me	That wasn't (21) (that wasn't cool)
'Cause nobody's perfect	But I swear that I'll never
No, no, no, no, no, no, no, no, no	Do (22) to you
No, no, no, no, no, no	And I hate that I let you down
Nobody's perfect	And I feel so bad about it
No	I guess karma comes back around
If I could (12) back the hands of time	'Cause now I'm the one that's hurting, yes
I swear I (13) would've crossed that line	And I hate that I made you think
I should of kept it between us	That the trust we had is broken
But, Jessie	So don't tell me you can't forgive me
Went and told the whole world how I feel and (oh)	'Cause nobody's perfect
So I sit and I realize	No, no, no, no, no, no
With these tears falling from my eyes	No, no, no, no, no, no, no, no, no
I gotta change if I (14) (15) you	Nobody's perfect
forever	
I promise that I'm gonna try	
But I never meant to hurt you
