

## Fill in the gaps

I (1) it's (2) from	Behind the glass
(3) you're standing	Go (18) and laugh
'Cause (4) over (5) I've missed the joke	'Cause it's funny
Cleared the way for my crash landing	I (19) too if I saw me
I've done it again	I'll be your clown
Another number for (6) notes	On (20) (21) channel
I'd be smiling if I wasn't so desperate	My life's a circus, circus
I'd be (7) if I had the time	Rounding circles
I could stop and answer all of your questions	I'm selling out tonight
As soon as I find out	From a distance my choice is simple
How I could (8) from the back of the line	From a distance I can entertain
I'll be your clown	So you can see me I put make-up on my face
Behind the glass	But there's no way you can feel it
Go (9) and laugh	From so far away
'Cause it's funny	I'll be your clown
I would too if I saw me	Behind the glass
I'll be your clown	Go ahead and laugh
On your (10) channel	'Cause it's funny
My life's a circus, circus	I would too if I saw me
Rounding circles	I'll be your clown
I'm selling out tonight	On your favorite channel
I'd be less (11) if it was my decision	My life's a circus, circus
And the (12) was just (13) in	Rounding circles
If I had (14) than my ambition	I'm selling out tonight
I'll have time to please	
I'll have (15) to (16) you as soon as I	
win	
I'll be (17) clown
