Everything You Didn't Do by Jamie Cullum

I will meet you in the city	Everything you didn't do
When it's lit up by the stars	Standing right in front of you
In the moonlight we're all pretty	I don't even know what to say
'Cause it papers all the scar	About (5) little thing
Ever feel like you belong	'Cause I'm tired and I want to go to sleep
To a story you ain't heard	It's so clear now
Doesn't matter if it's your song	It's so clear now
And you don't know all the words	It's so (6) now
We should put up the sun	It's so clear now
We are citizens of all you can see	It's so clear now
We've got nothing but time	It's so clear now
You'll find everything you didn't do	That you'll find everything you didn't do
Everything you didn't do	(Don't (7) up (8) you wanna
Standing right in front of you	know)
But euphoric combination	(Don't give up)
Of a thousand dirty hands	Everything you didn't do
There's no need for complication	(Don't give up because you wanna know)
On the (1) we would stand	(Don't give up)
It's a patient exploration	Everything you didn't do
Where discovery is free	(Don't (9) up because you wanna know)
There's no need for explanations	(Don't give up)
We exist where we can see	Everything you didn't do
We (2) put up the sun	(Don't give up because you wanna know)
We are citizens of all you can see	(Don't give up)
We've got nothing but time	Standing right in (10) of you
